

# KB96504849: FastImpose - Invalid Menu Handle

## Summary

When you double click an `.imp` file in Automation Engine Pilot to open the file in FastImpose, the following error message appears:

**"Invalid Menu Handle".**

## Symptoms

Error message **"Invalid Menu Handle"** appears when you double click an `.imp` file in Automation Engine Pilot to open it in FastImpose.

## Solution

1. Check the file association types in **Control Panel > Default Programs > Associate a file type or protocol with a program > .imp**.
2. The `.imp` file type should be associated with the FastImpose application. If not application is set, the error message above will appear.
