

KB156861656: Dynamic VDP - Error: "a Suite (plugin) is missing or is of incorrect version"

Summary

Dynamic VDP plug-ins is installed. Performed **Custom Install** and only chose the packages that are licensed.

Symptoms

Adobe® Illustrator® plug-ins for **Dynamic VDP** seems to load but the **Dynamic VDP** window shows the

following error:

```
Error: a Suite (plugin) is missing or is of incorrect version:  
VDPExpansion Suite (AINDLKernelPlugin Plugin)  
VDP will not work without these plugin(s).
```

Solution

The **PDF Import Package** will need to be installed when performing a **Custom Install**.
